

ANTON DOROFEEV

Machine Learning Engineer / Data Scientist

@ dorikdor@gmail.com

+7(952)36-111-39

✈ dorikdor

in anton-dorofeev

📍 St.Petersburg, Russia

EDUCATION

St Petersburg University, Mathematics and Mechanics Faculty

📍 St Peterburg, Russia

Postgraduate study

Mathematics

📅 2024

Speciality: Discrete Mathematics and Mathematical Cybernetics

Master's degree

📅 2020

Speciality: Applied Mathematics and Computer Science, Theoretical Cybernetics

(New name: Mathematical Modeling, Programming and Artificial Intelligence)

Graduation project: Speed-gradient algorithm for the problem of classifying dynamic objects using artificial neural networks

Bachelor's degree

📅 2018

Speciality: Applied Mathematics and Computer Science, Theoretical Cybernetics

Graduation project: Speed-gradient algorithm for training artificial neural networks

SKILLS

Programming Languages

- Python, MATLAB

Tools

- Jupyter Notebook, LaTeX

Machine Learning

- NumPy, SciPy, Pandas, Scikit-learn

- Matplotlib, Seaborn

- PyTorch

Other

- Mathematical Modeling
- Cybernetics
- Control Theory
- Vector Optimization

ACHIEVEMENTS

- Speaker and medalist of the session "Information processing in navigation systems" at the 21st Conference of Young Scientists "Navigation and Motion Control", St. Petersburg, 19-22 March 2019.
- Teacher of the course "Mathematical methods of machine learning for image recognition problems" at the Youth Mathematical School, St. Petersburg, 2020/21.

PUBLICATIONS

Dorofeev, A. (2019). "Gradient feedback method for training artificial neural networks".

Navigation and Motion Control. Proceedings of the 21st Conference of Young Scientists with international participants, SPb, Russia, 19-22 March 2019. SPb, Russia: CSRI Elektropribor, JSC, pp. 310–311.

COURSES & CERTIFICATES

- Python programming (Bioinformatics Institute, stepik.org)
- An Introduction to Data Science (SPbU, coursera.org)
- Mathematical statistics (Computer Science Center, stepik.org)
- Probability theory (Computer Science Center, stepik.org)
- An Introduction to Databases (Computer Science Center, stepik.org)
- Neural Networks and Computer Vision (Samsung AI, stepik.org)

INTERESTS

Travelling: visited 30 countries, hitchhiked more than 100,000 km, hiked in 10 mountain ranges, rafted to Kara Sea, etc.
